- Date: Monday, June 15, 2026
(09:00 ~ 10:00)
- Location: MPT Building 2nd floor
(MPT-CERT)

Front Cover(1 page)

*Welcome to the MPT-CERT Opening Ceremony
We are delighted to welcome distinguished
guests, esteemed officials, and partners from
the Republic of Korea and Algeria to this
landmark occasion.*

*Today marks a historic milestone as we formally
inaugurate MPT-CERT signaling a shared
commitment to building a resilient and secure
digital future.*

*Your presence honors this moment and
strengthens the bond of cooperation between
our two nations.*

Purpose and Significance of the Event

Following the establishment of a specialized organization dedicated to managing security infrastructure, systems, and services, the event aims to formally announce the launch of MPT-CERT to the public. This initiative is designed to fortify the security posture of Algeria's IT sector and initiate the delivery of practical, high-value cybersecurity services.
